Summary

Aspiring Software Engineer with strong interest in Full Stack Development, Problem Solving, and Software Engineering. Skilled in Java, Python, and Web Development with hands-on project experience. Currently improving Data Structures and Algorithms (DSA) using Java and actively learning modern software technologies.

Education

Mahatma Gandhi Institute of Technology (MGIT)	2024 – Present
B.Tech in Computer Science Engineering	CGPA: 8.64
Government Polytechnic for Women, Secunderabad	2021 – 2024
Diploma in Computer Science Engineering	CGPA: 9.4
ZPHS School, Thimmampet	2021
SSC	GPA: 10/10

Technical Skills

- Programming Languages: Java, Python, C
- Web Development: HTML, CSS, JavaScript
- Core Subjects: DBMS, OOPs, Operating Systems, Data Structures
- Tools & Platforms: Git, GitHub, VS Code, OpenCV

Projects

Driver Drowsiness Detection System	GitHub
Python, OpenCV, Computer Vision	

- Developed a real-time driver safety system using OpenCV and facial landmark detection.
- Implemented eye-state monitoring and alert mechanisms for driver safety.

E-Waste Recycling Locator	GitHub
HTML, CSS, JavaScript, Google Maps API	

- Built a responsive web platform to locate nearby e-waste recycling centers.
- Integrated Google Maps API for navigation and location tracking.

Patient Monitoring System	GitHub
Python, IoT, Healthcare Monitoring	

- Developed a patient monitoring system for real-time healthcare tracking.
- Implemented sensor-based monitoring and emergency alert mechanisms.

Internship Experience

- Intern at Yuga Yatra Retail.
- Salesforce Developer Virtual Internship – Smart Bridge & AICTE.
- Agentblazer Champion Program Virtual Internship.
- Java Programming Internship – CodingMissions IT Solutions.

Certifications & Learning

- Currently undergoing Data Structures and Algorithms (DSA) training using Java.
- JavaScript Essentials Certification.
- IBM Cognitive Class – Introduction to Cloud.
- Python Skill Upgradation Training – SETWIN.
- Salesforce Agentblazer Champion Program.

Soft Skills

- Problem Solving
- Communication Skills
- Team Collaboration
- Quick Learner
- Adaptability
